Aloha,

Due to the uncertainties related to the COVID 19 pandemic, Hawaiian Canoe Racing Association (HCRA) has made the difficult decision to cancel the 2020 HCRA State Championship Regatta scheduled for August 1, 2020 at Keehi Lagoon. HCRA values the health and safety of our paddlers, spectators and officials. We considered the financial and economic impact to our paddlers, clubs, and associations. Currently, HCRA is working with member associations to notify member clubs and paddlers. More information will be released when it becomes available. For the time being, please contact your association representatives or HCRApaddler.com for more details.

Mahalo,
